

TIMBER STAND IMPROVEMENT & TREE PLANTINGS

This information is provided as a public service and constitutes no endorsement by the USDA Natural Resources Conservation Service or the Wabash Co. SWCD of any services listed. While an effort has been made to provide a complete and accurate listing of services, omissions or other errors may occur and, therefore, other available sources of information should be consulted.

The U.S. Department of Agriculture (USDA) prohibits discrimination against its customers, employees, and applicants for employment on the bases of race, color, national origin, age, disability, sex, gender identity, religion, reprisal, and where applicable, political beliefs, marital status, familial or parental status, sexual orientation, or all or part of an individual's income is derived from any public assistance program, or protected genetic information in employment or in any program or activity conducted or funded by the Department. (Not all prohibited bases will apply to all programs and/or employment activities.)

The mission of the Wabash County Soil and Water Conservation District is to help people conserve, improve and sustain our natural resources and environment through wise use of our soil, water and natural resources.
